

# Discount cat desexing

Help your cat be happy and healthy

## Desex your cat today

Desexing your cat before they reach sexual maturity (3 months) will:

-  Decrease your cat's risk of cancer
-  Reduce the risk of infection and disease
-  Prevent unwanted behaviours, such as spraying, wandering and aggression
-  Prevent unwanted litters of kittens

Kittens can be desexed from 8 weeks of age, but it's never too late!

Call Cat Protection on 9519 7201 for
