

# EASY TO CROCHET CAT TOY

## Materials:

- Medium weight yarn (I used Red Heart)
- Crochet hook (5.00mm H hook)
- Toilet paper tube (I used 1/2 a roll for the small cat toy and a full roll for the large toy)
- Bell
- Needle and thread
- Darning Needle to weave in ends
- Scissors

## Instructions:

Ch = chain, sl st = slip stitch, dc = double crochet (All U.S.)

1. (Ch) 20, join with (sl st) to form ring (keeping tension firm but not tight – you want both ends to be a little tighter so they hug around the toilet paper tube). Make

sure to not to twist your stitches.

2. (Ch) 2 in first chain and then (dc) in each remaining stitch in round. (Sl st) in last stitch in round to join. Repeat for 7 rounds for 1/2 toilet paper roll size toy or 11 rounds for full toilet paper roll.
3. Finish off last round with 1 (sl st) in each stitch and join.
4. Ch 30 then make 2 (dc) in the 3rd chain from the hook. (If you'd like a longer curlicue than make the chain longer).
5. Make 3 (dc) in each chain until you get back to the start of the chain. (Sl st) to join. Fasten off and weave in ends.
6. Sew bell on end of curlicue.
7. Fit over toilet paper roll.

Click [here](#) if you have any trouble knowing or remembering which stitches these are.  
*(Keep in mind I'm a novice pattern maker so I hope this all makes sense).*
