Ch 10 to 15 (random), crochet 2 or 3sc into each loop across (fasten off)

Attach to lower side of the body.

Spring: use any color yarn you want, make a chain about 20 to 30, crochet 3 sc into each loop across (fasten off). Attach to top of the head.

Now hang it on your room's door knob and your kitty is ready to play with it xD

Note: I received a few comments that the finished toy is a little big for a cat toy. I'm sure a smaller hook size (3mm to 4mm) will deal with it. My sis also suggested an elastic for the spring to make a better bouncing effect since we don't have elastic yarn lol. Moreover, I bet a bit of stuffed catnip in the body part would be great though :)
