

HOW TO GUIDE

Fabric Kitty Blanket Template (advanced)

What you will need:

- Two sheets of A4 paper (or one sheet of A3 paper)
- Sticky tape
- Sharp scissors
- Fabric pins
- needle and thread
- Fabric of your choice (our cats love fleece and cotton best)
- Sewing machine

How to make the blanket:

1. Tape the two sheets of paper together at the longest ends (landscape) to make your pattern template
2. Pin the template to the fabric
3. Cut out the fabric in the shape of the template x 2 (for front and back). You can use two different types of fabric for variety and texture
4. Unpin the template from the fabric
5. With wrong sides of the fabric together stitch along three sides, leaving a small gap in the forth side open so you can turn the blanket the right way around
6. Once you have turned the blanket the right way, hand stitch the small opening closed
7. Your blanket is ready to use!
