

HOW TO GUIDE

Knitted Kitty Blanket template

What you will need:

- Two sheets of A4 paper for sizing (or one sheet of A3 paper)
- Wool
- Knitting needles

How to make the blanket:

1. Tape the two sheets of paper together at the longest sides to make your pattern template
2. Using any stitch you are comfortable with, knit a rectangle the same size as the template. You can get creative and use different colours or even make granny squares and stitch them together
3. Your blanket is ready to use!
