

CHEESY MICE

What you need:

- 1 block of cheddar cheese
- 1 packet of crackers
- 1 tbsp black peppercorns
- ¼ cup of sliced almonds
- Rice noodles broken into 5cm pieces

What to do:

- Cut cheese into 2cm triangles
- Place one cheese triangle on each cracker
- Place two peppercorns on the cheese to look like eyes
- Place two pieces of almond (on the widest end of the cheese) to look like ears
- Place rice noodle at base of triangle to look like tail, you can poke a hole with a toothpick for the noodle to stay in place (if you want to get fancy you can use smaller pieces of noodle for whiskers too)
- Place finished crackers on a plate and serve
