

KITTY LITTER CAKE

What you need:

- 2 packets of chocolate brownie mix
- 1 tub of chocolate frosting
- 1 small packet of processed bran
- 10 milk arrowroot biscuits
- 3 tbsp of cocoa powder
- 1 small tin of condensed milk
- Yellow jelly (optional)
- Brand new kitty litter tray
- Brand new litter poo scoop

What to do:

- Make two separate batches of chocolate brownies as per packet instructions in rectangular cake pans (do not slice into individual brownies, leave as cake sized brownie)
- Line kitty litter tray with baking paper
- Place cooled brownie/cake into litter tray on top of baking paper and trim to fit
- Cover brownie/cake with chocolate frosting
- While frosting is still soft cover with bran to hide the frosting
- Crush milk arrowroot biscuits to form a crumb
- Add small amount of condensed milk and cocoa powder to biscuit crumb and mix, adding more condensed milk until a smooth paste is formed
- Start rolling chocolate mixture into poo shapes
- Decorate the brownie/cake with chocolate poos
- You can also add yellow jelly as urine to decorate
- Finish with poo scoop and serve
