The Cat Protection Society of NSW Limited Directors' Report For the Financial Year Ended 30 June 2025

Short-term objectives

Throughout 2024-25, Cat Protection maintained focus on the delivery of our short-term objectives, including: best practices in the shelter; ensuring the good health and successful rehoming of cats and kittens surrendered into our care; delivering subsidised programs of desexing, vaccination and microchipping of cats and kittens to targeted groups in the broader community; developing and delivering activities and materials to educate the community about responsible pet ownership; and promoting feline health and welfare through research, advocacy and policy activities.

By year-end we completed delivery of a cat desexing program, DIVA Cats, which was mainly funded by a NSW Government grant. DIVA Cats ran from July 2023 to end of June 2025 and saw 3,675 cats and kittens desexed. Cats and kittens in the DIVA program were also microchipped, vaccinated and registered. This project also initiated research, data analysis, and consultation/education in specific areas of Sydney, enabling the development and delivery of future targeted desexing programs.

Substantial repairs and restoration work were also undertaken and completed to the shelter premises at 103 Enmore Road, providing an improved shelter and work environment for felines and staff.

Long-term objectives

The long-term objectives derive from the vision – that every cat has a loving and responsible home. It is the company's task to maintain a sustainable organisation which will continue to build on the accomplishments of the past 67 years and extend our involvement with communities in regional and rural New South Wales.

Strategy for achieving the objectives

Cat Protection pursues its mission by:

- finding loving and responsible homes for cats in need
- improving the quality of life for cats by educating the community about socially and environmentally responsible cat care
- actively working with government and non-government agencies to promote and improve cat welfare, and
- honouring the unique relationship between people and cats.

Performance measures

The company measures its own performance using both quantitative and qualitative benchmarks. The directors use the benchmarks to assess the financial sustainability of the company and its performance towards our short-term and long-term objectives.

Operating results

The surplus after providing income tax amounted to \$2,426,814 (2024: deficit of \$479,887).

1. General information

The financial statements cover The Cat Protection Society of NSW Limited, a company limited by guarantee, incorporated and domiciled in Australia. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards and a registered charity under the Australian Charities and Not-for-profits Commission Act 2012 and the NSW Charitable Fundraising Act 1991.

The principal activities of the entity during the financial year are included in the directors' report.

The registered office and principal place of business is 103 Enmore Road, Newtown, NSW, 2042.

The financial report was authorised for issue by the directors on 27 September 2025.

2. Changes in accounting policies

New and revised standards that are effective for these financial statements

A number of revised standards became effective for the first time to annual periods beginning on or after 1 July 2024. The adoption of these revised accounting standards has not had a material impact on the entity's financial statements.

Accounting Standards issued but not yet effective and not been adopted early by the entity

A number of new and revised standards have been issued but are not yet effective and have not been adopted early by the entity. The directors are currently assessing the impact such standards will have on the entity.

3. Summary of material accounting policy information

Financial reporting framework

The general purpose financial statements of the entity have been prepared in accordance with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *NSW Charitable Fundraising Act 1991*.

Statement of compliance

The general purpose financial statements of the entity have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures and other authoritative pronouncements of the Australian Accounting Standards Board.

Basis of preparation

The financial statements are presented in Australian Dollars (\$AUD), which is also the functional currency of the entity.

The material accounting policy information that has been adopted in the preparation of this report are as follows:

Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the entity expects to receive in exchange for those goods or services.

Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

Income tax

No provision for income tax has been raised as the entity is exempt from income tax as a registered charity under the *Australian Charities and Not-for-profits Commission Act 2012*.

Inventories

Inventories are stated at the lower of cost or net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Inventories acquired at no cost, or for nominal consideration are valued at the current replacement cost at the date of acquisition, which is the deemed cost.

Property, plant and equipment

Land and buildings

Land and buildings are measured using the revaluation model.

Depreciation

Property, plant and equipment, excluding freehold land, is depreciated either on a straight-line basis or diminishing value basis over the assets' useful life to the entity, commencing when the asset is ready for use.

The depreciation rates for each class of depreciable assets are:

Class of fixed asset	Depreciation rate	Depreciation method
Buildings	2.5%	Straight line
Plant and equipment	10 – 20%	Straight line
Motor vehicles	25%	Diminishing value
Office equipment	10 – 40%	Straight line

Right-of-use assets

Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets, as follows:

	2025	2024
Printers	5 years	5 years

Trade and other payables

These amounts represent liabilities for goods and services provided to the entity prior to the end of the financial year and which are unpaid. Due to the short-term nature, they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Liabilities relating to contracts with customers

Contract liabilities

A contract liability is recognised if grant conditions are fulfilled. Contract liabilities include deferred income. Contract liabilities are recognised as revenue when the entity performs under the contract (i.e., fulfils conditions of the grant).

Comparative figures

Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year. With the exception of minor reclassifications between certain financial statement line items, comparatives are consistent with prior years, unless otherwise stated.

Significant judgement in applying accounting policies

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

<u>Inventories</u>

Management estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realisation of these inventories may be affected by future technology or other market-driven changes that may reduce future selling prices.

Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain depreciable assets.

Long service leave

The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Property held at fair value

On 12 May 2025, independent valuations were obtained for 214 Marrickville Road and 103 Enmore Road.

Those charged with governance have determined that:

- the valuer's reliance on recent sales for guidance did not adequately take account of the size, condition and utility of the buildings used by the entity compared to the very poor state of the buildings in this area which had recently sold; and
- the book values are a fair and appropriate estimate of the properties' value and is more reflective of the true value of the properties.

Donations in-kind

Management has recorded transactions that were donated by external suppliers and corporate partners at fair value. These fair values have been estimated based on the best information available at the transaction date. Donations in kind were mainly of cattery goods and veterinary, administration and marketing services. Disclosures for these transactions have been made in Note 5 Other income.

How the entity recognises revenue

Grants

If conditions are attached to a grant, revenue is recognised when the entity satisfies those conditions.

Provision of services

Revenue relating to provision of services is recognised over the period in which the services are provided.

Sale of goods

Sale of goods are recognised at the point of sale, which is where the customer has taken delivery of the goods, the risks and rewards are transferred to the customer.

20. Winding up of gift fund and surplus assets on the winding up or dissolution of the entity

If upon the winding up or dissolution of the entity or if the endorsement of the entity as a Deductible Gift Recipient is revoked, there remains after the satisfaction of all its debts and liabilities any funds and property whatsoever the same shall not be paid to or distributed amongst the members of the entity but shall be dealt with as follows:

- (a) Subject to clause (b), the funds and property of the entity shall be given or transferred to an institution, fund or authority with similar objects to that of the entity and to which income tax deductible gifts can be made, and whose constitution prohibits the distribution of its or their income and property among its or their members to an extent at least as great as is imposed on the entity, such institution or institutions to be determined by the members unanimously, and in default thereby the Chief Judge in Equity of the Supreme Court of New South Wales or such other judge of the Court as may have or acquire jurisdiction in the matter.
- (b) If the Australian Taxation Office or some other authority with requisite powers directs that the assets of the Gift Fund be transferred to a specific recipient, then those assets shall be transferred accordingly.

21. Commitments

The entity had no material unrecognised contractual commitments as at 30 June 2025.

22. Contingent liabilities and assets

Contingent assets - interest in property

In 2013, the entity received an interest in a property, as an estate in remainder. Given the uncertainty of when the entity will receive its interest in the asset or residual estate, the entity has not sought a valuation on the property for the end of the reporting period.

There are no other contingent assets and/or liabilities as at 30 June 2025.

23. Subsequent events

No adjusting or significant non-adjusting events have occurred between the reporting date and the date of authorisation of these accounts.

The Cat Protection Society of NSW Limited Independent Auditor's Report to the Members of The Cat Protection Society of NSW Limited For the Financial Year Ended 30 June 2025

Opinion

We have audited the financial report of The Cat Protection Society of NSW Limited (the registered entity), which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of material accounting policy information, and the responsible persons' declaration.

In our opinion, the financial report of The Cat Protection Society of NSW Limited has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act), including:

- (a) giving a true and fair view of the registered entity's financial position as at 30 June 2025 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards Simplified Disclosures and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information is the directors' report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

The Cat Protection Society of NSW Limited Independent Auditor's Report to the Members of The Cat Protection Society of NSW Limited For the Financial Year Ended 30 June 2025

Responsibilities of the Responsible Persons for the Financial Report

The responsible persons of the registered entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Simplified Disclosures and the ACNC Act, and for such internal control as the responsible persons determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible persons are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible persons either intend to liquidate the registered entity or to cease operations or have no realistic alternative but to do so.

The responsible persons are responsible for overseeing the registered entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/Home.aspx. This description forms part of our auditor's report.

Report of the requirements of the NSW Charitable Fundraising Act 1991

We have audited the financial report as required by Section 24(2) of the NSW Charitable Fundraising Act 1991. Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the NSW Charitable Fundraising Act 1991 and the NSW Charitable Fundraising Regulation 2021.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or non-compliance may occur and not be detected. An audit is not designed to detect all instance of non-compliance with the requirements described in the above-mentioned Acts and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit report expressed in this report has been formed on the above basis.

The Cat Protection Society of NSW Limited Independent Auditor's Report to the Members of The Cat Protection Society of NSW Limited For the Financial Year Ended 30 June 2025

Opinion

In our opinion:

- a) the financial report of The Cat Protection Society of NSW Limited has been properly drawn up and associated records have been properly kept during the financial year ended 30 June 20225, in all material respects, in accordance with:
 - i) sections 20(1), 22(1-2), 24(1-3) of the NSW Charitable Fundraising Act 1991; and
 - ii) sections 10(6) and 11 of the NSW Charitable Fundraising Regulation 2021.
- b) the money received as a result of fundraising appeals conducted by the registered entity during the financial year ended 30 June 2025 has been properly accounted for and applied, in all material respects, in accordance with the above-mentioned Act and Regulations.
